

Fundraising Drives

If you simply do not have the time to organise your own special event, set up a fundraising activity or actively seek sponsorship, then undertaking a fundraising drive is a great idea to help you reach your fundraising goal.

The companies (websites) listed below offer commission based programmes where contributions are made towards your fundraising efforts based on the volume of product sold.

Enlist the help of your friends, family and neighbours and ask them to assist you by selling the below products through their workplace, social networks, local school or neighbourhood.
